## This Week's Focus

- Math: This week we really focused on fraction and percent equivalents.
- Language Arts: We finished up unit 2; working with realistic fiction and sequence order. We also had our annual Vocabulary Parade on Friday!
- Social Studies/Science: The students worked on their Colony menu and had a blast! We also reviewed and took a short quiz on Friday.

## Next Week's Focus

- Math: We will continue working with fraction and percents.
- Language Arts: We will be starting unit 3, and focusing on Making Inferences in a story.
- Social Studies/ Science: The students will be working with Mr. Flint for 2 weeks on a new Science unit.
