- February 10- Biography Fair
- February 13- School Board Meeting (5:30pm in Hartford)
- February 14- Valentine's Day Classroom Parties/ PTA Flowers & Candy Sale

## This Week's Focus

- Math: We actually took a week break from math, and had our JA presenter come in for the week!
- Language Arts: This week worked on our Bio Fair and worked in our ELA stations.
- Social Studies/Science: This week in Social Studies we introduced latitude and longitude. The students also started their projects.

## Next Week's Focus

- Math: We will continue working with decimals and practice converting them to fractions.
- Language Arts: We will continue working on Bio Fair and present next Friday! We will also finish up Unit 5 ELA.
- Social Studies/ Science: The students will continue working on their latitude and longitude projects and present to the class.
