This Week's Focus

- Math: This week in math we started adding and subtracting decimals.
- Language Arts: This week we finished our Bio Fair projects and presented on Friday. We also worked in our ELA stations and with our literary skill compare and contrast.
- Social Studies/Science: This week in Social Studies the students finished and presented their latitude and longitude projects.

Next Week's Focus

- Math: Next week we will finish up adding and subtracting decimals, and introduce multiplying and dividing decimals.
- Language Arts: The students will be teaching the class about a chosen topic and using their compare and contrast literary skill.
- Social Studies/ Science: The students will work with Mr. Flint the next two weeks.
