This Week's Focus

- Math: We introduced unit 1, Number Puzzles and Multiple Towers. We have been working on multiplication combinations, prime and square numbers.
- Language Arts: This week we have been working on our first 30 days, and our expectations during reading/writing workshop.
- Social Studies/Science: All of 5th grade created an egg drop this week!
- DARE: The students started DARE this week with officer Albers.

Next Week's Focus

- Math: We will continue working in Unit 1, and focusing on number puzzles and finding factors of different numbers.
- Language Arts: We will continue working on our first 30 days.
- Social Studies: We will learn our 50 states and capitals, and have a quiz next Friday.
