This Week's Focus

- Math: We continued working in unit 1, and we also finished up this weeks number puzzles with our partners. The students had a great time investigating together!
- Language Arts: We continued working on our first 30 days, and our expectations during reading/writing workshop.
- Social Studies/Science: We reviewed the 50 states and capitals, and had a quiz on Friday.
- DARE: The students had their second week of DARE with officer Albers.

Next Week's Focus

- Math: We will continue working in Unit 1, and focusing on number clusters.
- Language Arts: We finish up our first 30 days.
- Social Studies/ Science: The students will spend a week with Mr. Flint reviewing the scientific method.
