This Week's Focus

- Math: We finished working with factors and multiples. We moved onto session 2, and started working on multiplying 2-digit by 2-digit numbers.
- Language Arts: We finished working on our first 30 days, and the students did a fun fiction book activity with a partner.
- Social Studies/Science: The students spent the week reviewing the scientific method and creating an experiment.
- DARE: The students had their third week of DARE with officer Albers, and talked about good decision making.

Next Week's Focus

- Math: We will continue working in Unit 1 session 2, and focusing on 2-digit by 2-digit multiplication.
- Language Arts: We will introduce our first unit, and get to work!
- Social Studies/ Science: We will starting unit 1 focusing on the land bridge and early people.
